SCHEDULE B

(See section 3)

S.No.	Name of the Fund	Amount (Rs)	Remarks
1	2	3	4
1	Water Supply Fund	3,00,000	The fund will be utilized for financing water supply schemes in villages and small Municipal Towns having a population of not more than 30,000. Preference will, however be given to rural areas over urban areas. Long-term loans will be given from the fund at 3 per cent interest and will be repayable over a period of 25 years. The fund will be utilized for giving loans and not grant-in-aid.
2	Fund for relief of distress caused by natural calamities apart from famine.	50,00,000	The fund will be utilized for giving both loans and grants. Relief necessities on account of famine will not be given out of this fund as there is already a separate fund (Famine Relief Fund) for the purpose.
3	Fund for providing amenities such as playgrounds, parks, gardens, theatres, etc.	50,00,000	Long-term loans will be given out of this fund to Municipalities, District Local Boards and Gram Panchayats. The loans will be at a low rate of interest, viz. 3 per cent and will be repayable over a period of 25 years.
4	Fund for construction of hostels for students, quarters for teaching staff, school or college buildings, etc.	2,00,00,000	Loans will be given from this fund to educational institutions. The loans will bear interest, at 3 per cent and will be repayable over a period of 25 years.
5	Fund for construction of residential quarters for nurses, mid-wives, school mistresses and women social workers in rural and semi-urban areas.	1,00,00,000	Loans bearing 3 per cent interest and repayable over a period of 25 years will be given out of this fund, to local bodies including Village Panchayats.
6	Housing Fund	2,00,00,000	Loans will be given out of this fund to Cooperative housing societies, Municipalities or Local Boards for developing land for facilitating and encouraging building activities to be undertaken thereon. The loans will bear

			interest, at 3 per cent and will be repayable over a period of 25 years.
7	Fund for amelioration of the economically underdeveloped areas in the State.	1,50,00,000	The fund is intended for accelerating the pace of development envisaged in the Five- Year Plan and for taking up additional schemes, which can yield early results in the economically underdeveloped areas of the State. Loans bearing interest at 3 per cent and will be repayable over a period of 25 years will be given from this fund.
8	Fisheries Development Fund	50,00,000	Loans bearing 3 per cent interest and repayable over a period of 25 years will be given out of this fund, to Fisheries Co-operatives. If any grants are required to be given in addition to loans, the former will be met from departmental provisions and not from this earmarked fund.
9	Co-operative Aid Fund	1,00,00,000	The Fund will be utilized for granting long-term loans with interest at 3 per cent to the Co-operative Processing and Joint Farming Societies which are in need of loan assistance for purchase of land and machinery and construction of buildings. The loan will be repayable in not more than 10 installments. These loans will be granted after considering carefully that such loans do not compete with Central Financing Agencies and Apex Co-operative Banks or tend to weaken their working in any manner. The fund will be administered by the Finance Department.
10	Medical Research Fund	1,00,00,000	The fund will have a credit of Rs. 1 crore and it will be built up by transfer of securities from cash balance investment account, from the securities held in this fund will be utilized for financing research schemes, the corpus of the fund remaining intact. The fund will be administered on the lines of the Indian Council of Medical Research.
11	Scientific and Industrial Research Endowment Fund	1,00,00,000	The fund will have a credit of Rs. 1 crore and it will be built up by transfer of securities from cash balance investment account.
