[]

An Act to consolidate and amend the law relating to the rehabilitation of persons affected by certain projects in the State of Maharashtra and for matters connected therewith or incidental thereto. WHEREAS it is expedient to consolidate and amend the law relating to the rehabilitation of persons affected by certain projects in the State of Maharashtra and for matters connected therewith or incidental thereto; It is hereby enacted in the Fiftieth Year of the Republic of India as follows: -

CHAPTER 1

Preliminary

1. Short title, extent and application :-

(1) This Act may be called as the Maharashtra Project Affected Persons Rehabilitation Act, 1999

(2) It extends to the whole of the State of Maharashtra.

(3) It shall come into force on such date as the State Government may, by notification in the Official Gazette, appoint.

(4) (a) It shall apply to all irrigation projects of which the area of the affected zone exceeds 50 hectares, or the area of the benefited zone exceeds 200 hectares or a gaathan is affected.

(b) It shall also apply to all projects, other than irrigation projects specified in clause (a), such as industry including industrial estate, atomic energy, university, oil and natural gas, energy, chemical, roads, national parks, sanctuary, mines, etc. However, the entire

responsibility to execute them and to rehabilitate the project affected persons shall rest with the concerned department of the Government of Maharashtra by entering into an agreement with the concerned project authority or body.

(c) Where, in the opinion of the State Government, it is necessary and expedient in the public interest to apply it to any other project, the State Government may, by notification in the Official Gazette, declare that it shall apply in relation to such project as specified in the notification; and thereupon the provisions of this Act shall apply to such project.

(d) Notwithstanding anything contained in clauses (a) and (b), it shall not apply to projects falling under the jurisdiction of inter-State projects; and the rehabilitation work, financed by the external agencies and countries.

2. Definitions :-

In this Act, unless the context requires otherwise, -

(1) "affected zone" in relation to a project, means the area declared under Section 13 to constitute the area of the affected zone under that project;

(2) "affected person" means-

(a) an occupant whose land in the affected zone (including land in the gaathan) is acquired under Section 14 for the purposes of a project: Explanation - For the purpose of this sub-clause, where any agricultural land is recorded in the relevant village record in the name of one of the brothers as a Karta or Manager of a Hindu Joint Family then every brother (or son or sons of any deceased brother all together as one unit) who have a share in the land, whether his name is recorded in such village record or not shall be treated as an affected person;

(b) a person who is a tenant in actual possession of land under the relevant tenancy law in the affected zone at the time of acquisition of land;

(c) an occupant whose land in the benefited zone is acquired for construction, extension, improvement or development of canals and their banks under irrigation project or for establishment of a new gaathan within or outside the benefited zone for rehabilitation of persons from affected zone, and whose-

- (i) residual cultivable holding is reduced to less than 1 hectare after acquisition; or
- (ii) residual holding stands divided into fragments which are rendered unprofitable for cultivation; or
- (iii) residual holding is rendered uncultivable;

Explanation - For the purposes of this sub-clause the expression "occupant" includes a tenant in actual possession of land under the relevant tenancy law in the benefitted zone at the time of acquisition of land;

(e) an industrial project, that is to say, setting up of production, distribution or service industry or providing any service, in relation to them and includes an Industrial Estate;

(F) an university project, that is to say, setting up of any University or any teaching, training institution;

(g) a chemical project, that is to say, extraction, production and processing of chemicals;

(h) a mine project, that is to say, extraction of any mineral from the bed of the earth or river bed;

(i) any composite project of any of the two or more such projects; and includes any work of construction, extension, improvement or development which is incidental or supplemental to the execution of a project, such as construction of pump house, lift irrigation scheme, colony, etc., and which results in rendering the holders or occupants of land, which may be used for such project, as affected persons and in respect of which, a notification is issued under Section 11 ;

(11) "project authority" means an officer in whom the overall control and superintendence of the execution of the project vest; and includes an officer whom the State Government may, by a general or special order, designate to be a project authority;

(12) "prescribed" means prescribed by rules made under this Act;

(13) "revenue division" means a revenue area which forms a division under Section 3 of the Maharashtra land Revenue Code, 1966 ;

(14) "rules" means the rules made under this Act;

(15) "Schedule" means the Schedule appended to this Act;

(16) "to cultivate" means to carry on any agricultural operation, and the expression "cultivation" shall be construed accordingly;

(17) "Village Panchayat" means a Village Panchayat established or deemed to have been established under the Bombay Village Panchayat Act, 1958;

(18) Words and expressions used in this Act but not defined, shall

have the meanings respectively assigned to them in the Code.

CHAPTER 2

Chief Controlling Authority, Project Authority, their powers and duties

3. Chief Controlling Authority in rehabilitation matters :-

Duties and functions of Chief controlling authority. The Chief Controlling Authority, in all matters connected with the rehabilitation of affected persons in a revenue division, shall subject to the superintendence, direction and control of the State Government, vest in the Commissioner appointed under Section 6 of the Maharashtra land Revenue Code, 1966 .

4. Subject to any general or special order of the State Government, it shall by duty of the Commissioner :-

(a) to implement the rehabilitation programme within the framework or the policy of the State Government relating to the rehabilitation of affected persons in his division;

(b) to co-ordinate and supervise the work of rehabilitation of affected persons in his division;

(c) to ensure speedy rehabilitation of the affected persons by requiring the Collector or the project authority concerned to undertake the work of rehabilitation simultaneously with the work of the project; and to report to him periodically the progress made in the matter of rehabilitation of affected persons and by rendering to them such guidance and assistance as the circumstances of the case may require;

(d) to submit periodical reports to the State Government regarding the rehabilitation of affected persons in his division;

(e) to prepare or cause to be prepared annual budget for providing funds for carrying out the rehabilitation of affected persons in his division;

(f) to disburse the grants duly placed at his disposal for rehabilitation of affected persons, to such officers and authorities at such intervals according to their requirements as he may think fit, for carrying out the rehabilitation of affected persons;

(g) to ensure the proper utilisation of grants placed at his disposal and carry out test audit;

(h) to perform such other functions as the State Government may,

from time to time, by an order in writing entrust to him.

5. Duties and functions of Collector :-

It shall be the duty of the Collector-

(a) to co-ordinate and supervise the work of rehabilitation of affected persons in his district;

(b) to ensure speedy rehabilitation of affected persons within the framework of the policy of the State Government relating to the rehabilitation of affected persons by requiring the project authorities and the subordinate officers posted to work on the project to attend to the work of rehabilitation as may be assigned to them from time to time;

(c) to issue a certificate to a person who is nominated by the project affected person for being employed against the quota reserved for the nominees of the affected persons;

(d) to perform such other functions as the State Government or the Commissioner may, from time to time, by an order in writing entrust to him.

6. Duties and functions of project authority :-

It shall be the duty of the project authority-

(a) to carry out such work for providing the necessary civic amenities in a new gaothan or the extension of an existing gaothan, as the case may be, established for rehabilitation of affected persons, as may be entrusted to it by the State Government or the Commissioner or the Collector;

(b) to take measures for the speedy rehabilitation of the affected persons under the overall supervision and guidance of the Collector;

(c) subject to any reservations validly made, and subject to the availability of posts, to give highest priority in Class III and Class IV category of service on the project establishment, to one member of the affected family nominated by the affected person, if such member is eligible for such employment according to the recruitment rules for such posts:

Provided that, while recruiting a member of the affected family, against such quota, the project authority shall, as far as possible, employ not less than fifty per cent of such nominees who arc

affected by the project under execution, as may be prescribed;

Explanation - For the purpose of this clause the expression "family" means the spouse, son married or unmarried daughter or brother or sister or daughter-in-law or grand son, or grand-daughter (which includes son or daughter also) of the affected person, or adopted son or daughter who is residing with and is dependent on such an affected person;

(d) to prepare or cause to be prepared annual budget for providing funds for the civic amenity works to be provided in a new gaathan or the extension of an existing gaathan another established for the rehabilitation of affected persons;

(e) to furnish to the Commissioner and to the Collector, during the various stages of planning and execution of the project, information and plans in regard to the affected and benefited zone of the project, as may be required for assessing the extent of land and other facilities required to be- provided to the affected persons for their rehabilitation.

(f) to execute an agreement with the beneficiary to abide by the provisions of Section 10 as may be prescribed.

7. Delegation of powers to subordinate officers :-

(1) The State Government may, by notification in the Official Gazette and subject to such restrictions and conditions, delegate such of the powers conferred and duties imposed on the Commissioner or the Collector, or the project authority by or under this Act to such officers of the State Government or local authority as it may deem proper and expedient.

(2) The Commissioner or the Collector may, by order in writing, delegate such of the powers conferred and duties imposed on him by or under this Act,-

(a) to such officers not below the rank of a Tahsildar; or

(b) to such officers of the State Government or local authority as, with the approval of the Commissioner, may be specified in the order.

(3) The project authority may, by order in writing, delegate such of the powers conferred and duties imposed on him by or under this Act to such officers not below the rank of a Sub-Divisional Officer,

Deputy Engineer, Assistant Engineer, Assistant Conservator of Forests.

8. Subordination of officers and servants :-

For the purposes of this Act, the Collector, the project authority and all other officers and servants appointed under this Act shall be subordinate to the Commissioner.

9. Constitution of Advisory Committee :-

For the purposes of assisting it in the speedy rehabilitation of affected persons, the State Government may, from time to time, constitute one or more committees for advising the State Government or any officer connected with the scheme of rehabilitation of affected persons on such matters as may be referred to it by them. The composition of such committee, the regulation of its business, the allowances or fees, if any, to be paid to its members and all matters incidental thereto shall be such as the State Government may, from time to time, by general or special order, determine.

10. Rehabilitation of affected persons :-

(1) The State Government shall, in accordance with the provisions made by or under this Act, and subject to the availability of sufficient land for the purpose, of rehabilitation of affected persons from the affected zone under an irrigation project, on land in the villages or areas receiving benefit of irrigation from such project.

(2) Nothing in Section 14 or any other provisions of this Act or any other law for the time being in force shall prevent the State Government from rehabilitating, in accordance with the other provisions made by or under this Act, as many persons as possible from the affected zone under any other project to which provisions of this Act apply or not, including those under any irrigation project who have remained to be rehabilitated,-

(a) on any land in benefited zone of any irrigation project or, as the case may be, in other villages or areas, acquired for the purpose under the provisions of Section 14 ; or

(b) on any land from the land pool.

(3) The State Government shall provide civic amenities in the prescribed scale and manner in the new gaollicin or in the extended part of any existing gaothan, established for the purpose of

rehabilitation of affected persons and such amenities shall include the following namely:-

Provided that, the above priority shall be treated as preference among the open and different reservation categories in pro-rata manner.

(c) The Collector shall maintain a register showing the recruitment position in the District and ensure removal of the backlog in recruitment of nominees of the affected persons. However, at any recruitment, the percentage of the persons so recruited from amongst the nominees shall not exceed fifty.

11. Areas of affected and benefited /one to be notified :-

(1) In respect of a project to which this Act applies, the Commissioner of the revenue division, in which the entire or major part of the project lies, shall by notifications in the Official Gazette -

(a) specify, the villages or areas, if any which are likely to be in the affected or benefited zone of such project;

(b) specify, provisionally the area of holdings in such villages or areas if any, to which restrictions specified in Section 12 shall apply.

(2) Such notification shall be published in the villages or areas which are likely to be the affected or benefited zone by beat of drums and by affixing a copy of the notification in some prominent place or places in the zones, and the village chavdi and in the office of the Village Panchayat, if any, and also in the office of the Tahsildar, Collector, the project authority and the Commissioner.

12. Restrictions on transfer, subdivision,partition orconversion orimprovementof land :-

(1) Notwithstanding anything contained in any law for the time being in force, no agricultural land in the villages or areas specified in the notification under Section 11 shall, after publication of that notification in the Official Gazette and until the Collector makes a declaration to the effect that no further land in the benefited zone of any particular village or area therefrom is required for the purposes of this Act, be-

(a) transferred, whether by way of sale (including sale in execution of a decree of Civil Court or of an award or order of any other competent authority) or by way of gift, exchange, lease or otherwise.

(b) sub-divided (including sub-division by a decree or order of any court or any other competent authority); or.

(c) partitioned (including partition by a decree or order of any court ! or any other competent authority); or

(d) converted to non-agricultural purpose, or

(e) improved by making substantial additions and alterations, except with the permission in writing of the State Government.

(2) The Commissioner may refuse to give such permission, if in its opinion, the transfer, sub-division, partition, conversion or improvement of land is likely to defeat the object of this Act, or may give such general or special permission, subject to such conditions, if any, as it may deem fit to impose to carry out the object of this Act, including a condition that the grant of such permission shall be without prejudice to the area of land liable to be compulsorily acquired under Section 14 on the basis of any holding as it existed immediately before the grant of such permission.

(3) Any transfer, sub-division, partition or conversion of land made in contravention of sub-section (1) or of any condition imposed under subsection (2), shall be void and inoperative.

(4) Any transfer, sub-division, partition, conversion or improvement of any land, in the villages or areas specified in the notification under Section 11 and to which restrictions specified in this section apply, made on or before the date of such notification shall not be taken into consideration for the purposes of sub-section (4) of Section 14 , unless such transfer sub-division, partition, conversion or improvement is made-

(a) by meters and bounds and entries in respect thereof are recorded in the relevant village records after due certification; or

(b) by decree to that effect and entries in respect thereof are recorded in the relevant village records after due certification or the proceedings are pending before the Revenue Authorities for recording the entries in respect of the same in the relevant village records.

13. Declaration of areas in affected or benefited/ones :-

(1) As soon as may be practicable, the Collector shall give a public notice inviting objections or suggestions in respect of the lands within his District and falling under clauses (a) and (b) of sub-section (3) of this section, by publishing in the manner specified in sub-section (2) of Section 11 , and also in the Official Gazette, and in one daily newspaper in Marathi language with wide circulation in the local area comprising such village in area of the affected and benefited zones.

(2) any person interested in the land in such areas may submit objections or suggestions if any, to the Collector within 30 days

from the date on which such public notice is published by beat of drums in the village or area concerned, or the date on which it is published in the newspaper as aforesaid, whichever is later, and the Collector, shall with all reasonable despatch, forward any objections or suggestions so made together with his report in respect thereof to the Commissioner and on considering the report and the objections or suggestions, if any, the Commissioner may pass such order as it deems fit.

(3) the Commissioner shall not later than three years in case of major irrigation projects and not later than one year in case of other projects from the date of notification under Section 11 , shall by notification in the Official Gazette and also by publication of such notification in the manner specified in sub-section (2) of Section 11 , declare

(a) the extent of area which shall constitute the area of the affected zone under the project;

(b) the extent of the area of benefited zone under the project; if the project is an irrigation project.

(c) which of the slabs mentioned in Part II of the Schedule shall apply to such project for the purpose of acquisition of land in the benefited zone.

Provided that, it shall be lawful for the Commissioner to notify the affected zone and the benefited zone by separate notifications.

(4) The project authority shall furnish to the Collector detailed map of at least 25 per cent of the area of the benefited zone in case of a major irrigation project and 100 per cent of the area in case of other projects within one year from the date of notification under Section 11 .

(5) If at any time during the course of execution of a project, the project authority is satisfied that any change in the areas mentioned in the notification under sub-section (3) is necessary, it shall communicate such change with reasons and the plans and particulars relating to the change to the Commissioner through the Collector.

(6) On receipt of the communication under sub-section (5) and the report of the Collector, if any, the Commissioner may, after considering the reasons given by the project authority and in the

report, if any, of the Collector and making such enquiry, if any, as he thinks fit, make such change in the manner laid down in sub-sections (1) and (2).

(7) on publication of the notification as provided for in sub-section (3) or (6), as the case may be, the restrictions laid down in sub-section (1) of Section 12 shall not apply to lands which are not included in the benefited zone or the affected zone of the project in the villages notified under sub-section (1) of Section 11 .

14. Power to purchase or acquire land for purposes of this Act :-

(1) The Commissioner or the Collector authorised by him by general or special order in this behalf may purchase or exchange any land required for carrying out the purposes of this Act:

Provided that, the amount paid for the purchase of land under this section shall be approximately equal to the amount of compensation payable for the land, had it been acquired in accordance with the provisions of sub-section (2).

(2) Subject to the provisions of this section, the Commissioner may for carrying out the purposes of this Act, also compulsorily acquire land under the Land Acquisition Act, 1894 and the acquisition of any land for any of the said purposes shall be deemed to be a public purpose within the meaning of that Act.

(3) The Commissioner may acquire lands included in a gaathan in the affected zone as far as practicable according to the provisions of Part I of the Schedule.

(4) For the purpose of rehabilitation of affected persons from the affected zone under an irrigation project, including those under any irrigation project, who have remained to be rehabilitated, on land, the Commissioner may acquire land from holdings in the benefited zone of the project according to the slab declared in the notification under sub-section (1) of Section 13 and may also acquire, where necessary, land from any other villages or areas, as it may deem fit.

(5) All lands acquired under this section shall form part of the land pool.

(6) An affected person who is entitled but does not want alternative land in the benefited zone shall be paid fifty per cent

amount of the value of the land offered to him, such value having been worked out on the basis of the true market value estimated in the prescribed manner on the basis of the land rates determined and issued, at the relevant time, in the form of Annual Statement of Rates, by the Chief Controlling Authority under the Bombay Stamp (Determination of True Market Value of Property) Rules, 1995 , framed under the Bombay Stamp Act, 1958 .

15. Preparation of proposals of rehabilitation and publication thereof :-

Subject to the general or special order which the Commissioner may make in this behalf, the Collector shall prepare, within six months from the date of notification under sub-section (3) of Section 13 , the proposals in one or more stages from time to time as the circumstances may require for rehabilitation of the affected persons from the affected zone under a project and publish a notice containing such proposals in the manner laid down in sub-section (2) of Section 11 for the information of such affected persons.

16. Grant and assignment of land and payment of special gram :-

(1) An eligible affected person who is desirous of getting land or plot or both in the area shown for the purpose in the scheme published under Section 15 may make an application to the Collector in the prescribed form for grant of land or plot and subject to such rules as may be prescribed, it shall be lawful for the Collector.

(a) to grant land acquired under Section 14 to such affected person with the occupancy status on the land held by him earlier;

(b) to grant plot of land to such affected persons in a new gaothan or extended part of the existing gaothan with the occupancy status on the land held by him earlier and rupees ten thousand as a special grant for construction of house on such plot, in such manner, as far as possible, according to the provisions of parts III and IV of the Schedule and on such terms and conditions as may be prescribed: Provided that-

(1) if the allottee of the land under sub-clauses (a) and (b) of subsection (1) is an occupant Class II, he shall be entitled to conversion of the land to occupant Class I after a period of ten years on payment of premium as may be prescribed;

(ii) the affected person referred to in sub-clause (d) of clause (2) of Section 2 shall be eligible to a constructed house on the basis of the Indira A was Scheme of the State Government;

(iii) the affected person referred to in sub-clause (e) of clause (2) of Section 2 shall be eligible only for grant of a plot under clause (b);

(iv) subject to the provisions of sub-section (2) or (3), the occupancy price of the land or plot, as the case may be, granted under clause (a) or (b), except under sub-clause (ii), above shall be determined and paid in the manner as may be prescribed.

(2) An affected person eligible for the grant of land or plot under sub-section (1) shall forfeit his right to get the same if-

(a) he fails to communicate his willingness to accept the grant of land or plot made to him, to the Collector within a period of 45 days from the date of receipt of a notice received by him in that behalf from the Collector; or

(b) he fails to deposit with the Collector, towards occupancy price of the land, sixty-five per cent of the amount of compensation which he has received for his land which is acquired from him in the affected zone, or of the likely cost of the land to be granted to him under of sub-section (1), whichever is less, at the time of payment of such compensation to such affected persons.

(3) After payment of the amount under sub-clause (b) of sub-section (2), the remaining amount towards the occupancy price payable by the affected person for the land allotted to him shall be recovered from him free of interest in such a manner and installments as may be prescribed:

Provided that, the first installment of such recovery shall commence one year after the irrigation facility is available to him.

(4) The State Government shall pay a special grant to all such affected persons who have deposited an amount as per clause (b) of subsection (2) of this section but have not been allotted land in the benefited zone and the rate of the special grant shall be rupees four hundred per mensem for the period from the date of actual displacement of the person from the land to the date of the allotment of the land in the benefited zone.

(5) Nothing in this Act shall prevent the project authority to lease

out to the affected person the land acquired from him till the gorge filling of an irrigation project is taken up and not used for quarrying dam seat, etc.

(6) Nothing in this Act shall prevent the Collector to lease out to the affected person the land acquired from him in the benefited zone, which is still in his possession, for whatever reason, till the possession of such land is granted to any eligible affected person and such land shall be given only on lease.

17. Power to grant developed land to the project affected person :-

Where the acquiring body disposes developed land from the land acquired for the purposes of the project, the project affected person would be entitled to twelve and half per cent developed land of the land acquired from him, on payment of amount prescribed by State Government.

18. Execution of lay-out by project authority or any other agency and after completion, vesting thereof in Zilla Parishad :-

The execution of every lay-out of a new gaolli'n or the extension of an existing gaathan, as the case may be, in so far as it relates to public utilities, civic and other amenities and services shall be carried out by the respective project authority, or where the Commissioner considers it necessary so to do, it, may by an order in writing entrust it to any such agency as it may deem fit.
